

CLINICAL PATHOLOGY

Name of Submitting Vet	Owner _____	For Laboratory Use Only
Practice Address	Animal ID _____	
	Species _____	
	Breed _____	
	Age _____ Sex: Male Female	
	Neutered? YES NO	
Date sample taken _____		
	Previous sample _____	
	Urine	EDTA
	Blood Smear	EDTA Plasma
	Separated serum	Sodium citrate
	Spun gel	Un-spun gel
	Whole blood	Heparin
	Flouride oxalate	

COMPULSORY FIELD MUST BE COMPLETE FOR THIS SUBMISSION TO BE PROCESSED.

Has this patient been imported or visited a country outside of the UK? YES NO

If yes please specify which country: _____

Clinical Differential Diagnosis	Treatment and Response
--	-------------------------------

Clinical Summary

Please tick if an interpretation is required (Additional charge will be incurred)**If haematology is required with chemistry profiles please tick HAEM box.** **Discounted Top-up tests ordered with chemistry profiles please tick TOP-UP circle.**
